

# 10<sup>TH</sup> IEEE INTERNATIONAL RF & MICROWAVE CONFERENCE

PENANG, MALAYSIA  
17-19 SEPT 25

**RFM**  
**2025**

The IEEE Antennas and Propagation, Microwave Theory & Techniques and Electromagnetic Compatibility (AP/MTT/EMC) Joint Chapter, Malaysia, will organize the 10th IEEE International RF and Microwave Conference (RFM2025). RFM2025 will be physically held in Penang, Malaysia, on 17 - 19 September 2025. Fully sponsored by the IEEE AP/MTT/EMC Joint Chapter of Malaysia, the RFM conference series alternates with the IEEE APACE. The event is intended to provide an international forum on research progress and developments in electromagnetic wave theory, microwave, millimeter wave and THz technology, wireless communication technology and related fields. Academics and practitioners working in the domain of applied electromagnetics are solicited to present the latest research findings and best practices, share ideas and initiate networking and collaboration.
